The schools can also be opened if sponsored by Central Public Sector Undertakings and are totally funded by them. In addition, the schools require 15 acres of land free of cost and rent-free temporary accommodation for school and staff quarters for at least 50% employees till the Kendriya Vidyalaya is in a position to construct its own building. Since setting up of Kendriya Vidyalayas is demand driven and as per the criteria mentioned, there is no policy of setting up Kendriya Vidyalayas in every district including Himachal Pradesh.
